

UFO puzzler

MARION FINDLAY of Edinburgh saw what might have been a UFO. I too saw exactly the same at approximately 11.00 p.m. that day. I also thought it was an aircraft about to crash and held my breath expecting to hear an explosion. I was really shaken as I had not seen anything like it before.

I was quite relieved to learn that somebody else saw it.—**C. Martin, Begg Avenue, Camelon, Falkirk.**

I WAS passing Grantshouse at 11 p.m. in my lorry with a mate. We saw a UFO to my nearside. My mate had a better view than I and said it was like a big rocket—much larger than a plane. It

was not very high and we reported it to Haddington police station.—**J. Tod, Ladywell, Livingston.**

THREE of us saw a UFO between Saltcoats and Largs. It was green and beautiful. We have never seen anything like it.—**Mrs I. Brooks, Lynn Drive, Kilbirnie.**
