

Cop in UFO 'kidnap'

A POLICEMAN who claims that he was taken aboard a flying saucer and examined by a six-foot bearded alien and eight boy-size robots will face questions from senior officers today.

It seems that they aren't taking his story seriously.

Po Alan Godfrey, 34, says that his UFO

encounter' happened while he was on patrol at Todmorden, West Yorks.

One police chief commented: "We aren't worried in any way about what the constable claims to have seen."
