## WOMAN SEES 'WHITE GLOBE' IN SKY

**A** Nottingham woman, Mrs. Betty Davies was startled last night by a 'white globe' appearing in mid-air while she was out walking her dog.

Mrs. Davies stated that the 'globe' approached from the South, then seemed to hover over the centre of Nottingham, before moving off in a westerly direction towards Birmingham.

She made it her duty to inform the police who will be referring the matter to the Airforce base at Mildenhall for further investigation.
