A Rushey Mead woman has claimed that she saw a large reddish-orange unidentified flying object hovering over the estate on Wednesday night.

Mrs. Diane Sturman,

of 8 Badminton Road, was driving down Peebles Way in Rushey Mead to meet a friend when she saw the object.

"It was very large, and hovering not too high up above the road,

"My friend, Mrs. Joy Braker, saw it as well, and as we watched the UFO it gradually hovered up, and flew away quite quickly."
