# UFO LANDS IN SUFFOLK

## And that's OFFICIAL

toward the depressions.

3. Later in the night a red sun-like light was seen through the trees. It moved about and pulsed. At one point it appeared to throw off glowing particles and then broke into five separate white objects and then disappeared. Immediately thereafter, three star-like objects were noticed in the sky, two objects to the north and one to the south, all of which were about 10° off the horizon. The objects moved rapidly in sharp angular movements and displayed red, green and blue lights. The objects to the north appeared to be elliptical through an 8-12 power lens. They then turned to full circles. The objects to the north remained in the sky for an hour or more. The object to the south was visible for two or three hours and beamed down a stream of light from time to time. Numerous individuals, including the undersigned, witnessed the activities in paragraphs 2 and 3.

# NO HOAX SAYS THE AIR CHIEF

**THERE** has been no hoax, says the man who was in charge of the USAF base at Woodbridge when the UFO came down.

The Wing Commander, now Brigadier-General Gordon Williams, said back home in America: "I recall Lt Colonel Halt's report.

"I don't know exactly what happened. It is all there. He is not a man who would hoax the British Ministry of Defence or the American Air Force Department." Despite official silence,

News of the World reporters discovered that the UFO was tracked on radar by RAF Watten, 50 miles from where it landed.

Radar technicians reported: "Tracing unidentified object."

They followed its progress across the east coast until it disappeared off the screen.

U S A F intelligence officers later checked the tapes of all radar installations in the area.
