## 2,000 affected by blackout

About 2,000 households and businesses suffered a 15-to 30-minute blackout in central Mississauga yesterday morning.

Hydro officials said in insulator failure on a Burnhamthorpe Rd. pole caused the shortage, which spanned from Mavis Rd. east to Cawthra Rd. and from Eglinton Ave. south to Dundas St.

Peel Region Police scrambled to direct traffic at about 18 sets of affected traffic lights.
