

# It's a bird, it's a plane . . . Uncle Sam sued over UFO

BEAUMONT, TEX. ENTERPRISE 1/20/84

DAYTON (AP) — Three Dayton people filed a lawsuit in a Houston federal court this week against the U.S. government, seeking damages for injuries they claim to have received when an unidentified flying object ambushed them on a country road.

Betty Cash, 54, Vicki Landrum, 60, and her 10-year-old grandson, Colby Landrum, are seeking payment for medical treatment after suffering chronic illness and injuries from what they claim was radiation that beamed at them from a hovering UFO three years ago. A lawyer filed the suit in a Houston federal court on Wednesday.

The three claim in the suit that the federal government is somehow involved and should be held responsible for their

medical care. ~~S PARKER~~

The incident occurred around 9:30 p.m. Dec. 29, 1980, while Mrs. Cash, Mrs. Landrum and Colby Landrum were returning home from a bingo game.

The object was flaming and gave off so much heat and light that Mrs. Cash and her friends could drive no farther, Gerston said.

They got out of the car for awhile, said Gerston, and Mrs. Cash rested her hand on the vehicle. When she removed her hand, he said, she found it had left a permanent imprint on the car.

For a few days after the incident, the three people suffered severe headaches, nausea, swollen earlobes and eyelids, diarrhea and facial blisters, Gerston said.
