# t **Policemen's report sparks UFO probe**

**A** REPORT of a UFO sighting by two policemen is to be investigated by the Ministry of Defence and the Civil Aviation Authority.

The police constables were called after dozens of people in Stanmore, Middlesex, spotted a strange object in the sky.

Eye witnesses said the UFO, described as a

multi-coloured, spinning object which gave off balls of light, was visible for an hour.

Scotland Yard is to forward a sketch of the UFO drawn by one of the policemen.

Both constables were described by their boss, Chief Superintendent Ronald Poole, as normal, sensible men.
