Have you seen a UFO in the last few weeks?

According to Margaret Fry, of Llanymyne, has received 27 reports of unidentified flying objects over Cheryd between January 4 and the end of the month.

A leading expert on the phenomenon, Mrs Fry, of Llanymyne, has received 27 reports of unidentified flying objects over Cheryd between January 4 and the end of the month.

A Felice Halkin woman who lives in the area, has spoken to several other witnesses which landed on the mountain near her home.

In the latest case, a farmer and his nephew saw a red light in the sky on a clear night. The light was in the shape of a ball in the sky. The same object

Having first experienced a UFO in 1955 when she was "scared to death" after a flying saucer "scared" her, she has no doubts about the existence of UFOs — she claims 14 separate sightings since.

However, she is still sceptical about claims of communication with aliens.

lectured hundreds of well-documented cases. Her library consists of more than 500 books on UFO's and associated subjects.

She hopes to become an author herself and already has had 100,000 copies published in UFO magazines in the U.S. Mrs Fry believes the UFO contact from alien and even solar system and points to the new discoveries being made by Voyager to back her claims that we still don't know everything about our sister planets and satellites.

The sightings go on. Are they a hoax, natural phenomena, or something new? But Mrs Fry believes the number of sightings and the evidence she forward, someone knows more about flying saucers than they are prepared to say.

Mrs Fry's ambitions for the authorities to finally admit it and release the facts to the public.

Mrs Fry has also mentioned one exhibition of her work at Aberystwyth Library and hopes to know of other libraries which have books in their collections. If you see a UFO contact her on Livingston 537

was sighted by another farmer not far away.

"RAF Valley gave their stock excuse — it was a high flying military aircraft during aerial photographs."

"That's absolute rubbish," she said. "The craft was seen from the air over trees and seen to manoeuvre and de-manoeuvre".
