## **Daughter followed by UFO - claim**

A WYMONDHAM girl had a close encounter of the scary kind when she was "followed" home by a bright light in the sky, police reported today.

A middle-aged man reported the UFO incident involving his daughter, without leaving his name and address at the police station in Wymondham.

A police spokesman said there had been several reports of bright lights in the skies around Wymondham. The man who reported the latest sighting was not the sort to make things up, the spokesman added.
