... IT WOULD APPEAR FROM THESE THAT ABOUT TEN YEARS AFTER THE SECOND WORLD WAR THERE WAS A REMARKABLE AMOUNT OF FLYING SAUCER ACTIVITY OVER — OF ALL PLACES — FRANCE...

... AND A GREAT NUMBER OF THE SIGHTINGS WERE ACTUALLY FOUND TO LIE ON THE LINE OF A GREAT CIRCLE ROUND THE EARTH!

NOW THAT'S VERY INTERESTING!

GREAT CIRCLES, EH?
— ORTHOTENIC LINES.
I WONDER IF ANYBODY EVER
CHECKED UP TO FIND OUT IF
THESE MAP READINGS LAY IN
THE SAME PLANE AS THE
ORBITS OF THE MOON OR
THE PLANETS?

WHY
DO YOU ASK
THAT?

OH, JUST A HUNCH!
IF FLYING SAUCERS
ARE ANTI-GRAVITY
MACHINES, YOU NEVER
KNOW — THEY MIGHT
RUN ALONG THE PATH
OF THE MOON!

MAYBE SO.
BUT HOW WOULD
THAT EXPLAIN A
LANDING IN
THE LAKE
DISTRICT?

IT WOULDN'T.
BUT HERE'S ANOTHER
PECULIAR HUNCH I'VE
GOT. HAVE YOU EVER
READ THE ANCIENT
TIBETAN BARDO, OR
BOOK OF THE
DEAD?
