

Have you

met a

space

alien?

★ IT may seem like the daftest soap opera scene ever to be screened on television.

There's Fallon being lured on to an alien spaceship and straight out of *The Colbys* in the final episode of the current series.

★ But is her plight so unusual? Millions believe UFOs exist, that there really ARE extra-terrestrial beings and thousands claim to have seen them.

Have YOU ever had a close encounter with a real ET?

★ Have you ever seen an alien spacecraft?

We want to hear your out-of-this-world stories today.

And we'll even get our artist to illustrate your experience in pictures.

★ Phone today between 10am and 6pm on our special alien hotline:

01-822 9555

It won't cost you a penny because we will call you straight back.
