

Schoolboy 'pictures' UFO

SCHOOLBOY Clifford Doney of Torquay is the latest to report a sighting of a UFO over South Devon — and has even drawn a picture of the mysterious "spaceship."

Clifford, 11, depicts a circular brightly coloured object but says it made no sound.

"I was coming home from St. Johns, almost outside Lower Westlands School when I looked up in the sky and saw a circular object, surrounded with very bright coloured lights which lit up all the area around it.
