# What was it

by Adam Forde

IT wasn't a bird, it wasn't a plane and it certainly wasn't Superman - so what was it?

It could be seen over a wide area from Dorking to Reigate but nobody could tell what it was except that it was a UFO.

The unidentified flying object was seen hovering over Pebblecombe Hill on Monday evening for around four hours, before drifting away towards the north.

It has been described as two very bright lights more than 100 ft apart just floating in the air, from 6 until 10 pm.

If you too saw the UFO give us a call on Dorking 886661.
