# INFO ON UFO

THE members of the Wigan Ariel Phenomena Investigation Team have asked me to contact you in the hope that you will print our letter in your newspaper for information on UFO sightings.

It has been reported to us by a local woman from your area that she observed a UFO during the latter end of February, 1988.

So we would be very interested in hearing from anybody who thinks they may have seen something during that month.

We also investigate the Paranormal, so if any reader wishes to contact us in total confidence they should write to the address below.
