26 APR 1988

During the first 11 weeks of 1988 there have been over 300 stories in the press about UFOs. Every day sees new claims of alien contact, many with evidence of people being interfered with or abducted. What is behind all this activity and why has Britain gone UFO crazy? 2374

In *Abduction* (Robert Hale, £10.95) professional UFO researcher Jenny Radnells has made the most exhaustive attempt yet to find out.
