Well, can you 2374 explain it?

Anyone who believes that 'we are not alone' is urged to attend a forthcoming conference by the Blackpool and Fylde UFO Society.

The event will be held on Saturday, June 18 at the Friends Meeting House, Raikes Parade, Blackpool, when Mr. Timothy Goode will give a lecture on UFO's and other extra-terrestrial topics.

Mr. Goode is an expert in the field and has recently returned from a tour of South America where he gave many similar lectures to enthralled audiences. He has also written books on the subject, the most well-known being 'Above Top Secret' which is aimed at revealing alleged Government cover-ups.

Mrs. Hazel Shanley,

an official with the Blackpool and Fylde Club commented: "We are very honoured that Mr. Goode had agreed to address the conference. He is a very respected figure and it is a real coup for us."

The event starts at 2 p.m. but doors open at 1 p.m. Admission is £1 for adults and 75p for children and OAPs.
