

My UFO warning

● I WOULD like to thank you for producing such a well laid-out and informative paper every Sunday.

● On reading your story on Wimbledon UFO threats (Wimbledon Final Put On Alien Red Alert, July 3) I immediately warned my family not to go to watch the tennis as I think this is a serious dilemma we are facing.

● Keep up the good work — well done. I'll keep getting Sunday Sport every week.

JD Mason, RAF Cranwell
