UFO kidnaps 26 elephants

A GAME reserve has lost 26 full-grown elephants and eyewitnesses claim they saw them kidnapped by a spaceship.

The bizarre story is coming from Lugo, Spain, where an African safari park is located.

Eyewitness have said they saw a 250-foot UFO with purple lights hover over a herd of elephants.

Suddenly 26 of the animals were bathed in a beam of orange light from the spaceship and right in front of their eyes the witnesses say they saw the animals beamed up into the belly of the vessel.

Mrs Imelda Gil-Casares was driving through the park at the

time with her children when the incredible event took place. She saw the whole thing.

napped 200 animals from zoos and safari parks all over the world in the past six months as part of an apparent study of Earth and its creatures.

He said governments were aware of the extra-terrestrials' activities.

She said, 'I thought it was some kind of a stage-managed stunt at first when I first saw the spaceship. But when all those elephants went up in the air into the UFO I became frightened.'

The children were screaming and laughing but I was speechless.'

She said the whole amazing episode lasted about two minutes. She said the spaceship was silver and shaped like an upturned bowl.

UFO researcher Jose Diaz-Salazar of Madrid says aliens have kid-
