

THIEVING ALIEN GRABBED MY

FURIOUS shopkeeper Mike King last night sensationally revealed: Pick-pocketing aliens stole my wages."

The silver-clad three-foot tall invaders transported him to their secret hideaway before rifling through his pockets, leaving him penniless.

And last night police in Sterling, Scotland, began a nationwide hunt for the thieving ETs.

"I just stood there speechless as one of these creatures robbed me. There was nothing I could do," said Mike, 42, from Glasgow.

The bemused business man was held captive in an underground cage for more than ten hours as his girlfriend, Elspeth Donnelly, searched for him in vain.

He had been preparing for a picnic when the scrounging ETs grabbed him.

"Elspeth had just nipped back to the village for some tea bags when this creature appeared next to me," Mike revealed after his ordeal in the hills outside Aberfoyle.

MY WALLET

"As he reached out to grab me I felt a massive electric shock. I opened my eyes to find myself inside the hill we'd been picnicking on.

"They were all staring at me. They had deep-set, bright green eyes and pointed heads, and in the middle of the cavern lay a huge spaceship.

"I've never been so scared in my life.

"I shut my eyes, hoping it was all a nightmare. I lost consciousness and the next thing, I was lying at the foot of the hill."

During Mike's terrifying ordeal, Elspeth had returned with the tea bags to find Mike gone.

"He was nowhere to be found. I thought it was one of

his practical jokes," explained Elspeth.

"I got fed up after a bit and drove back to Glasgow."

Meanwhile Mike staggered through the dark into the deserted village to telephone her.

"I got to the phone box and opened my wallet to find the aliens had pinched all my dosh," said Mike.

"As well as that, they pinched my picture of Elspeth. Perhaps they liked the look of her."

A spokesman for Sterling police revealed they would be questioning Mike.

"We'll be taking a close look at these allegations. Kidnapping is a very serious crime," said Sgt Euian Ross.

CAPTIVE . . . Mike King was locked in a cage.
