

UFO sighting

REPORTED sightings of a strange round, black object flying over Nidd Gorge have baffled Knaresborough police.

They are appealing for further witnesses of the UFO, which was seen at about 3pm on Monday.

Two women whose homes overlook the gorge saw the object travelling silently high in the sky in the opposite direction to the wind.

Knaresborough police, who can be contacted on Harrogate 862222, have reported the sightings to RAF Linton-on-Ouse.
