Close encounter?

STRANGE lights have been spotted in the sky above Biggleswade — just months after a spate of UFO sightings.

Alan and Dawn Cook, of Grosvenor Gardens, Biggleswade, were startled by a white object flashing across the sky at 10.20 pm on Monday.

Mrs Cook hopes someone else saw it and can offer an explanation. If you spotted any strange sights in the Mid Beds skies this week, contact the Chronicle newsdesk on Biggleswade 313479.
