

Boozers baffled by 'UFO'

BAFFLED boozers in Gainsborough's Yarbrough pub checked to make sure their pints had not been spiked at the weekend after a "flying car" sped past the window.

At least three amazed people, including landlord Brian Holland, could not believe their eyes when they saw a strange UFO moving in the sky.

"It was only 8pm and everyone was stone-cold sober," explained Brian's wife, Jackie.

"No-one had ever seen anything like it before — it didn't have wings, and looked like a flying car.

"We thought it was a balloon or something but it moved in a straight line past the window, and then rocketed up in the sky until it was just a black spot.

"It was definitely an aircraft — but when Brian got the binoculars he still couldn't make out what it was."
