

U.F.O. spotted

2374

A HARTLEPOOL man has spotted his second U.F.O. in the space of two years.

Dennis Proud, of Teesbrooke Avenue, claims he saw three flying objects shortly before midnight on Thursday.

He made the discovery in Southbrooke Avenue at 11.50 p.m. and said the three objects were seen just above the rooftops.

"Two of them moved away but the third hovered for a while," said Mr Proud.

"They were like round balls of fire and it is the second time I have seen a U.F.O. in two years."

Mr Proud urged anyone who may have seen the same sight to contact the U.F.O. association at Leeds tel. 0532 622221.
