# Crash! UFOs 2374 ahead

**DRIVERS** careered into each other when they thought UFOs were invading.

Dozens crashed on motorways in Berkshire and Oxfordshire as weird lights circled above.

Police traced them to a laser show at a hotel in Hurley, near Maidenhead.

Inspector Jim Reilly said yesterday: "We were flooded with calls reporting four lights repeatedly circling over the M4 and M40 motorways."

A hotel spokesman said: "Nobody realised it was causing problems until the police called."
