Mind you scoffers should beware. After all, the House of Commons is full of little men with big heads who could easily be related to the big men with little heads. It's easy enough for the big bits and the little bits to get mixed up when you get into "beaming" folk from one place to another.

● Do YOU have a good UFO story to tell? I'll give a fiver for the best one. Drop me a line at the Telegraph, Telegraph House, 57 Priestgate, Peterborough.
