Over on the fabulously detailed *Lost* fan site [Dark UFO](#), the *Lost* obsessives are having a grand old time [blowing up HD screen captures](#) of the season finale and perusing them for clues. Most interesting is a new theory on [the subject of the obituary](#). Jack weeps over in the show's flash-forward. Thanks to a post on another fan site — rumored to be from a show insider — and careful perusal of screen caps, many now think the obit is not for anyone named after philosopher and [Panopticon inventor](#) Jeremy Bentham but instead for someone named John Lantham (or Latham), who has hanged himself in *Lost*'s future.

Mostly, this site makes us want to buy an HDTV. God, do these screen captures look pretty.
