Since Nissin has found "Nissin Yaki Soba U.F.O. Extremely Dry Sauce & amp; Mayonnaise" which was released from Monday, March 17, I got it at a convenience store and so I bought it and tried it. About 80% of Yakisoba users are supporting thickening, and 90% of users are products that appeared because they support a rich flavor source, 1.6 times thicker than before "UFO history It seems that it is becoming the biggest "noodles".

Review from below.

**-U.F.O. The richest thickest man ever! Men Dojo certified fry soba new appearance! -
Cup Yakisoba · Large Size "Nissin Yaki soba U.F.O. Extremely tasty sauce & amazon. Mayonnaise" New release**

Raw materials etc.

One meal 746 kcal.

U.F.O. Male Dojo is recruiting dojo studentsIt seems to be.

Two sachets, liquid sauce and mayonnaise.

I feel that the heck is thick.

Pour hot water and wait for 5 minutes.

did it.

Place a liquid sauce.

Mix.

Finish with mayonnaise.

There is only "huge bowls", and when eating it is fairly thicker than traditional ones and eating is perfect. Although there is feeling that it was done in the past, here is whether the amount of liquid sauce is large, whether something is different, the source is successfully involved in the sauce. Seasoning is hot spicy with dry source + mayonnaise. It seems that it is better not to let your guards think that it is sauce with raw soba noodles thickened.
