Stussy Philadelphia Store

Philadelphia is the birth place of many notable peoples including The Fresh Prince and DJ Jazzy Jeff, The Roots, and Noam Chomsky. Now it is also home to the newest Stussy store. Stussy opened its doors in Canada and Washington DC lately and the Philadelphia location is its third this year and we are only in the fourth month of 2008. Maleable fluorescent lighting is used to decorate the interior, and we get a little peak at Stussy's official site. Expect much much more from the originators in the fields of fashion and culture, stay tuned.

Juice Re-Opening Party

It's been a busy week for the whole crew at CLOT with last night marked by the grand re-opening of their newly renovated retail front Juice. As referenced by an earlier interview with CLOT co-owner Kevin Poon, the new shop is an updated reflection of the direction CLOT has taken with a more minimalistic and refined approach. For those who have had the chance to view the pre-renovation CLOT, a drastic change sees the removal of the wooden concept into a clean cut white approach. The store is open as of Saturday, April 19th. Juice2/F Flat A53 Paterson Street Causeway Bay, Hong Kong

Solebox x Asics Gel Lyte III

With impending troubles on the horizon between Solebox and Nike Germany, Solebox has returned to one of its greatest skills as collaborator extraordinaire. It seems more often than not every sneaker to come under their influence of the German sneaker shop has yielded smart and cohesive colorways, albeit with a strong affection to purple. Their latest collaboration with Asics on the Gel Lyte III features a purple/gray suede sneaker. However beyond a nice colorway is a color sensitive upper/midsole that turns purple in the sun. Two different styles were created, a special Solebox exclusive with the stores name featured on the heel and sole that will only be available through the Berlin retailer as well as a version devoid of Solebox symbolism that will be available at Asics' finest dealers around the world. No word yet on a release date however by all accounts it should be arriving soon. Check Solebox for more details.

Original Fake Winter Exhibition Invite

OriginalFake is a brand that truly devotes itself to every little detail, as shown here by their Winter exhibition invite. Beinghunted shows us his invitation, which is a printed one dollar bill with design hand-drawn by Kaws. The design portrays Kaws Companion falling into the hole of the portrait while trying hard to grab on. It is speculated that the dollar bill design might be a hint of what's to come for OriginalFake's 08 F/W collection. You can definitely see how strong the brand is even just through their invitation.
