

# RIDDLE OF 'THE THING' IN THE MIDNIGHT SKY

**A** WIFE spoke last night of a strange object which, she said, hovered over her husband's car during a midnight drive.

The woman, Mrs. Myra Jones, of Norris-hill, Moira, Leicestershire, said the object appeared as they drove along country lanes on the Leicestershire-Derbyshire border on Thursday.

Mrs. Jones went on: "I saw a light over the car, leaned forward and looked up through the windscreen.

"Right above the car at about the height of the telegraph poles was a grey luminous object bigger than the car." It was curved underneath and the top was domed.

"I was absolutely terrified. I thought it was going to land on the bonnet. Then it made a swishing noise, like a rocket, and disappeared."

Her husband, Mr. W. G. Jones, clerk to Ashby Wolds Urban Council, Leics, said he did not see anything.
