BANGOR DAILY NEWS

"There is nothing in that area that cannot be identified. We have no sightings of unidentified flying objects."

This was the word from Dow Air Force Base officials after nine persons, including a State Trooper, reported seeing a "reddish colored object" hovering over a Norridgewock home Thursday evening.

## For Several Minutes

State Trooper Eugene McCaffrey said that he was notified by a family after it had watched the object for several minutes.

The trooper reported that when he arrived at the home of Mrs. Fern Bickford, who had called him, he too saw the object and followed it for several minutes using field glasses.

Similar reports were investigated by both Dow and the Federal Aviation Agency a few weeks ago when two Skowhegan patrolmen reported seeing an object while patrolling the
