

# PC REPORTS 'I SAW 6 FLYING SAUCERS...'

**P**OLICE CONSTABLE Donald Cameron made out a report last night and hoped the Chief Constable would believe that he really DID see six flying saucers.

Pc Cameron was at home on sick leave when he looked out a window and saw six glowing objects hovering in the distance. "I thought I was seeing things and called my wife," he said last night. "We watched them for about 30 seconds before they disappeared at speed

towards Manchester. "They were about a mile away. I could see them clearly even though it was a dull day. They were white and glowing.

"One was bigger than the others with a cup-shaped dome—obviously the mother ship. The others were oval," he added.

As he made out his report at his home in Chiltern-road, St. Helens Lancs, Pc. Cameron said:

"I suppose I will get some ribbing from the lads, but that is not what worries me... it's what the Chief Constable thinks.

## 'LIKE NESSIE'

"I hope he believes me." The Chief Constable, Mr. Archibald Atherton, was rather non-committal.

"I am awaiting his report with interest. It is like seeing the Loch Ness Monster."

An Air Ministry spokesman said: "It sounds strange, but we can't comment until we know all the facts and they have been investigated."
