

UFOs Are Reported In St. Louis Area

CLAYTON, Mo. (AP) — Unidentified Flying Objects were reported by St. Louis County residents Thursday night.

People in the area of Interstate 55 and Lindbergh Boulevard, told police the object had a brilliant white light.

Officers quoted one man as saying he pulled his car to the side of the road and watched the object for several minutes. The light changed to flickering red and white as it moved, he said.
