

YE UFO PUT ABBOT OFF HIS GRUB!

KEITH T. JONES, of
Spongate House, Spon
End, Coventry, War-
wicks, writes:

THE recent letter about
Unidentified Flying
Objects greatly interested
me, and I thought you
might be amused by this
old manuscript discovered
at Ampleforth in Yorkshire.

Written in Latin in the
year 1220 it reads:

"Took the sheep from
Wilfred and roasted them
on the feast of Saints
Simon and Jude. But when
Henry, the Abbot, was
about to say grace, John,
one of the brethren, came
in and said there was a
great portent outside.

"Then they all ran out
and Lo! a large round
silver thing like a disc flew
slowly over the Abbey and
excited the greatest terror.

"Whereat Henry, the
Abbot, immediately cried
that Wilfred was an
adulterer, wherefore it was
impious to . . ."

Unfortunately the rest of
the manuscript is missing.

☆ Pity about that!
