

Ju-jitsu and UFOs

AROUND 60 people gathered at Colne Park High School on Monday night to enjoy the unusual mixture of a ju-jitsu display and slide lecture on UFOs.

The event was organised by Mrs Wendy Ruddy, a member of the school's PTA, and money raised by the evening will go to the association's funds.

The evening started with a display by the R. A. Ju-Jitsu Defence Display team followed by a lecture and slide show by the Yorkshire UFO Society.

There was also a competition to design a poster featuring an unidentified flying object.

Pictured here are some of those who supported the event.
