

50 SEE THE SAUCERS

Last night's Flying Saucer reports:

FIFTY people at Farmington, New Mexico, saw a mass flight of Flying Saucers which flashed across the sky and vanished.

In Mexico City, cameramen shooting scenes for a film, took shots of a Saucer which swept across the sky. The films are being turned over to the U.S. Government for inspection.

Peasants at Crescentino, near Turin, saw six glowing Flying Saucers trailing rose-coloured vapour.—Reuter.
