

Journey into space

A SCOOP for the Yorkshire UFO Society, which meets this Sunday. Member Mr. Graham Birdsall has secured photographs of the recent Voyager space mission.

These will be on display during the meeting at Centenary House, North Street, Leeds, from 2.30 p.m.

Besides the photographs, there will also be a film about the Apollo moon landing plus rare glimpses of "UFOs" caught on film by witnesses all over the globe.

Said Mr. Birdsall: "This is a unique opportunity for Yorkshire people. Everyone will be welcome to the meeting."
