## UFO 4U

Interested in UFOs? Then the Yorkshire UFO Society, may be just the thing you're looking for.

Only recently formed, it is a branch of Contact International (UK) the largest UFO study movement in the world.

Its co-ordinator, Graham W. Birdsall, an active investigator of the phenomena since 1970, is seeking new members throughout Yorkshire.

Anyone interested in learning more about the Society should write to: The Yorkshire UFO Society, 12 Miles Hill Street, Leeds LS7 2EQ, enclosing a stamped addressed envelope.
