Dear friend Sir Philip Mantle:

To receive your gentle letter of March 25, past. To bring news your the that giaddet us.

I beg you pardon not having answer before but i was travelling and i had to do so much work and to write so many letters to brazilian friends that i had no time to rest or what i would like to do.

On the other hand i know very little of your language.

In relation the subjeT UFOs (for Navex, neologism forged by ICCS in 1972 for designe the Nave Extraterrestre - Space Ship From Another World) we have great pleasure to exchange whit you information and dispon6ble material.

We are thankfull by the very interesting and important material you are send to us - THE JOURNAL OF UFO INVESTIGATION & Q U E S T.

Personal believe and admit several origins of UFOs: Extraterrestrial, Ultraterrestrial, Sky (celestial), Aquatic, Underground and Another Di- mensions.

Thankfull my friend place your publication the our disposition. Own some one work proper writing in portuguese it want to send for the you.

The authority brazilians in general nothing inform on the UFOs - use politics of silence and lie.

Own photos of UFOs (Navex) follow in next letters.

Through part to be for interest in received your important QUEST - is one important publication and valuable for the Ufologist.

Thankfull !

We hare liked very much the QUEST and we offers to your Group dis- posal the our Group (ICCS) and mi self personal.

Gatefful in advance, sincerely your
Friend and servant

J. VICTOR SOARES
