

2) After detained the van many hours after, had halted the police five mens among the 22 and the 27 years, which one had in pocket 4700 dollars, that were able be only the remuneration of the film.

3) The driver of the van was such Sivan Kurzberg, and the other were Paul Kurzberg, Yaron Samuel, Oded Ellner and Omer Marmari, who resulted all Israeli citizens.

4) The Jewish daily paper of New York has brought that two mens of them, in accordance with the FBI, were agents of the Israeli intelligence.

The URBAN MOVING SYSTEM company, owner of the van, it is resulted of ownership of the Israel state.

The administrator of the URBAN MOVING SYSTEM company, Dominick Otto Suter, year 1970, whose Social Security Number is 129-78-0926, he escaped in Israel the same day 11-September-2001.

Three months after the attack at two towers, a troupe of the television net ABC has shot inside the offices of the URBAN MOVING SYSTEM company: they appeared deserted in a great hurry, even with objects of ownership of the customers of company.

The URBAN MOVING SYSTEM company were missing.
It's possible to conclude saying that the responsibility of the attacks at two towers are not of the Israel government ?

=====

All balances with the fact that in the two towers there were even the centers of the two Israeli banks Goldaman-Sachs and Solomon Brothers, but it resulted that an only Israeli citizen is deceased in the collapse of the two towers.

FURTHER NEWS :

It's well known that the two fallen towers, had to be restructured, to eliminate big part of the asbestos structures, that they contained.

The cost of the restructuring of two towers, was nearly equal to that of reconstruction towers.

For the owner however, it was convenient demolishing two towers, on condition that the demolition cost was nothing, as then it's happened.

Yet, it's not necessary to be a mechanical engineer, to understand that the airplane impacts against two towers, could not its demolishing, as instead it's happened.

To pull down the WTC towers, it needed fill it with a lot of explosive charges.

And it's what has been fact, as from the films of the tragedy observation you deduces : in these films you notices clearly that two towers, after a certain time from the impacts, had exploded: at the center they have been mined surely, with an explosive horizontal cord, placed all surrounding, and in the same way on the the foundations, in accordance with the techniques of elimination of the great trees, which are well known by decades.

But to organize the attack and the demolition explosions, it needed a very great organization, with world ramifications and not only military, that only Israel possesses in the world.

The world circles extended over all the world, are the Masonic and Para-masonic circles, in which Israel has placed believers Jewish "soldiers", all in the strategic ganglions, in such way to be able them command as only one man.

All the hebrews of the world feel themselves conditioned by Israel, by the strength of their tradition.

And not only, but for a very coincidence, the Owner of two demolished towers, is an Hebrew he too.

THE COINCIDENCES:

The two falling towers, have been filmed exclusively by hebrews from Israel. The boss of this group has escaped in Israel, the same day 11 septembers 2001.

The two towers belong to an Hebrew, that had to it demolish, for cause of asbestos that there was contained.

The unique world organizations, which having the fit structures to organize this attack, are the freemasonries, which are by exclusively control of hebrews.

The americans, Jewish and not, at this stage, have the investigating duty, the going out from the generic and unproved accusations, of terrorism from Arabic matrix.

A Bin Laden that himself accused, it shows absolutely nothing : he has been paid to do it.

He has been paid to do spread a planetary war, of America against the arabs, that serves only to ISRAEL, as the Iraq war.

The philosophy is in fact SIMPLE: USA wars against the Arabs, and so ISRAEL reigns over the world, thanks to its freemasonries, while they staying congealed or straight forfeited the Arabic treasures, that are deposited in the Israeli friend countries.

While all the Jewish physicians, the freemasons physicians, and other, all Cosa Nostra friends, are refusing to take care of Romano De Simone, because he had :

- 1) discovered their games,
- 2) invented an effective military technology defence in the NBC war, and for this he had been infected by a military biological attack, and expelled from each hospital, by Hebrew Mafia.

STRUCK ROMANO DE SIMONE , only to STRUCKING AMERICAN ARMY.

QUESTIONS

How to be possible you believe to a Bin Laden, only because himself accuses, while the organizers are able to be only the Israeli ART-DIRECTORS fortuitously discovered, by the police, or their friends ?

Nobody can exclude that Bin Laden is one of this friends of Israel !
Why nobody have the valor to asking the necessary investigating on Israel and his friends ?

How to be possible it you mines two towers, with thousands of kilos of explosive, without the helping of owner of two towers ?

WHY THE HALTED ISRAELIS WERE AS HAPPY,
WHILE THEY WERE SEING TO EXPLODE AND COLLAPSE
THE W-T-C TWO TOWERS ?

It needs verify if such they happiness, documented by they-self, with the photos that they same have done, was connected to the fact that THEIR WORK HAD MADE VERY WELL, as from same excellent engineers.

PERHAPS TRANSPORTING THE EXPLOSIVE MATERIAL WITH THEIR MINIBUS:
what heavy work !!!!.

In such case they deserves the engineering degree, "ONORIS CAUSA".

=====

But they can ever demonstrate that all these technical conclusions are false,
and the clear truth is all other things, THE DEAR BOYS !!!

THE ISRAELI BOYS SURELY WILL GIVE AMPLE EXPLICATIONS,
ABOUT THEIR COMPLETE INNOCENCE !!!
