Israel against American Army ??

On my opinion, it is necessary reflecting about the real political and military condition of the world, Americans !!!

In fact is possible that somebody want :

To do a GREAT ISRAEL, BY STRIKING AMERICAN PEOPLE ?

This is a simple question, on Israel government, where are living the very owners of Russia, today :

The philosophy is in fact SIMPLE: USA wars against the Arabs, and so ISRAEL reigns over the world, thanks to its freemasonries, while they staying congealed or straight forfeited the Arabic treasures, that are deposited in the Israeli friend countries.

While all the Jewish physicians, the freemasons physicians, and other, all Cosa Nostra friends, are refusing to take care of Romano De Simone, because he had :

- 1) discovered their games,
- 2) invented an effective military technology defence in the NBC war,

very important system of defence for AMERICA !!!!!!!!!!!!!!!!!!!!!!!!,

and for this he had been infected by a military biological attack, and expelled from each hospital, by Hebrew Mafia.

STRUCK ROMANO DE SIMONE , only to STRIKING AMERICAN ARMY.
