In 2004, Kevin Malarkey and his six-year-old son, Alex, suffered a horrific car accident. The impact from the crash paralyzed Alex and medically speaking, it was unlikely that he could survive. I think that Alex has gone to

be with Je--s, a friend told the stricken dad. But two months later, Alex awoke from a coma with an incredible story to share. Of events at the accident scene and in the hospital while he was unconscious. Of the unearthly music that sounded just terrible to a six-year-old. Of the a-gels who took him through the gates of He-ven itself. And, most amazing of all of meeting and talking to J--us. The Boy Who Came Back from Hea-en is the true story of an ordinary boy's most extraordinary journey. As you see Heav-n and earth through Alex's eyes, you'll come away with new insights on mi-acles, life beyond this world, and the power of a father's love.

Alex Malarkey is the first child in the world to have received the Christopher

Reeve surgery, allowing him to breathe without a ventilator. He can stand in a supportive frame for an hour at a time and, with the help of a special harness,

can walk on a treadmill while helpers move his legs. He believes that he will

walk on his own again. He loves watching sports and cheering for his favorite

teams, the Pittsburgh Steelers and the Ohio State Buckeyes.
