April

This talks about things that are seen around Salt Lake City, Utah.

.....  
.....

The main differences between the hubrids and rebrids would be round pupils vs. slit vertical pupils; five fingers vs. four, external reproductive organs vs. internal; and crimson b-ood vs. the greenish fluid used by the Grays. Of course this "test" would not always apply to the "Chameleons", which may require an entirely different method of identification. Many if not most of the hubrids are unwilling s-aves of the reptilian grays, and are being forced to engage in p-ychic w-rfare against humanity, etc. Given the chance, the Hubrids and the Nordics who are sl-ves of the Reptilians will rebel).  
Some years ago I came across a reference to a "w-r" taking place as early as the 1940's within vast cavern systems below the Salt Flats in Utah.

This apparently involved an i-vasion of human territories within "Dreamland" by a joint force of human s-rccerers working with reptilian hominoids.  
This underground "Cult of the Serpent" had re-taken possession of the ancient subterranean systems that the antediluvian Atlanteans had established below the east coast of the U-ited States (New York, Washington DC, Boston, etc.), and then had apparently invaded the Dreamland system itself. It is possible that these so-cerers were controlled by the Reptilioids and the Reptilian Infiltrators - like those "chameleons" that have been seen at the surface of the DOUGWAY m-litary installation of Utah, a facility which sits atop the Bonneville Salt Flats. It is also alleged that in the late 1930's or early 1940's Reptilian forces began moving their centers of operation from Central and South America and into the underground systems of the Southwest namely Mt. Archuleta/Dulce.  
The Dulce facility was apparently constructed originally (the lower levels, that is) by humanoids, and later taken over by the reptilian grays over a period of time, until the mid 1940's when the U.S. go-ernment gained the ability to track UFO flight paths and discovered the massive underground installations below the Dulce area. In order to remain hidden from the human public at large the Grays opted to make a "treaty" with this hybrid (U.S. & S-cret) Gov-rnment to buy time for them to take control of the minds of the human agents. They allowed the C-A to possess a few of the upper levels and expand them, but the base workers literally "lost their minds" to the Alien controllers via implantation. Below level-7 there were ancient tunnels that led to still deeper cavern systems - these the Reptilians retained for their own purposes. It is said that some of the returning extraterrestrial "Grays" joined up with the taller native subterranean Reptilioids operating deep below the Four Corners region, which had given the Grays access to the base network- These re-elations which I learned from THE DULCE PAPERS and several other sources merely confirmed my previous suspicions that my "underground dreams" may have been more than mere fantasy. Also I realized that I was indeed an implantee, and learned something that I must share with others who have likewise been implanted. Through the process of Divine Grace (connecting to the Life-Source of All), it is possible to use the te-epathic implants by which an abductee's mind is influenced or "controlled" by the Reptilian collective, and turn it back in their face, using it as a we-pon against them.

The Reptilians are taking a chance by connecting humans into their collective via the implants, and I have found that it is possible to turn things around and use the implants to probe their darkest sec-ets, intimidate them, possibly communicate with the hybrids, and virtually raise all kinds of h-ll with the Reptilian collective mind... PROVIDING that all this is done under the direction of Di-ine Grace.  
Also, other confirmations of my "impressions" began appearing. A friend of mine who lives in central Utah yet who I will not name told me of an

abduction that he had as a child (he and his sister often met the grays in the basement of their home, but retained no memory of what happened next). He told of having flashes wherein he saw himself in a disk flying over the Grand Canyon, and traveling through a vast cavern with an ancient city at one end and an elevator that ran up the wall, disappearing through the roof - also references to a Dulce-like base, hybrids and other memories similar to my own. I personally was drawing "plans" for an underground base below the 4-corners long before I had ever heard about Dulce.

Other reports that came my way include the following: -- R.W. of Salt Lake stated that he entered a cave up on the bench of the western Rockies northeast of Salt Lake several years ago with a friend. Deep inside they saw an orange colored reptilian humanoid coming around a rock. They left in a hurry in absolute terror and never returned.

-- Another young man, R.D., busted into a tunnel near the Crossroads Mall in downtown Salt Lake after pulling a locked manhole cover up with a chain tied to his truck, prompted by rumors of reptilians stalking tunnels under Salt Lake, reports that the activity under Salt Lake City is tied-in with the Groom Lake scenario, and stories of people who had disappeared after entering the tunnel labyrinth. Things he saw in the 3rd sub-basement level and below, during this and other explorations, included: a long tunnel with an ancient wooden door at the end; a room from which a greenish luminescent glow emerged; men dressed in suits carrying Uzi machine guns off in the distance who were walking through a large chamber; an apparently "bottomless" pit; and a large tunnel "big enough to drive a truck through" that was strung with lights and led southwest (in the direction of Little Cottonwood Canyon). In this large tunnel he saw unusual tracks in the dust made by some kind of THREE-TOED biped creature (a reptilian?). Other stories connected with the CROSSROADS area: One man who worked in the tunnels was startled when he touched a tunnel wall and his arm went THROUGH the wall. Some time later he tried it again in the same spot and the wall was SOLID; a Spanish woman who worked nights on a cleaning crew in the Crossroads Mall quit her job after (what she could only describe as) a "d-mon" came around a corner, hobbled up to her, snarled viciously and went past her down the hall.

-- A woman by the name of Barbara who worked as a hair stylist in Dougway, UT., stated that reptilians passing themselves off as human beings had infiltrated the adjacent Dougway base. She had seen ONE OF THE BASE C-MMANDERS transform temporarily before her eyes into a reptilian-like entity. These "chameleons" have also been seen working in the surface installations of the underground bases near Dulce, N.M.; Groom Lake, NV; Deep Springs, CA; and the Madigan facility south of Seattle. Sources have indicated that much of the Groom Lake alien-interaction activity has been extended into the Dougway underground and similar underground structures below Idaho. There are also reports of "androids" working at the Dougway base as well. The EG&G corporation, which does much of the hiring for the Nevada Test Site, is also very active in the Military bases near Dougway Proving Grounds.

-- I.D. of Salt Lake City stated that years ago she had heard that workers excavating below Trolley Square, just southeast of Crossroads, had broken into strange "catacombs" underground.

-- KS. of Salt Lake City reported an abduction near the Sugarhouse Mall district, southeast of Trolley Square, during which she recalls meeting with a man and a short "gray" in a huge underground room, in which she saw several other people - possibly abductees. She remembers, even in her partially-conscious state, becoming angry at the fact that this guy was giving her all kinds of instructions and recalls asking him who the hell he thought he was by ordering her around like that... She said the man "may" have been human, but she was not sure. KS. was also told by another friend of an abduction that had occurred to him near this same Mall, during which the aliens removed and later re-attached one of his legs. Other friends of hers had told her of encountering para-humans [MIB types] up in the mountain canyons east of Salt Lake City, including the Parley's Canyon area... these encounters taking place in areas where large underground caverns or bases were supposed to exist. There have also been reported encounters with Nordic-like beings as well as with Reptilians in the canyons East of Salt Lake. In one case the Nordics politely asked one man via a tel-pathic beam from a cigar-shaped craft - fully visible to him and hovering above Emigration Canyon - if he would like to come with them...although the man refused the offer. Another man by the name of "Dan" was forcibly abducted by tall green-skinned Reptilians with large black eyes just to the north in City Creek Canyon (these canyons run from north to south beginning with City Creek, Emigration, Parleys, Big Cottonwood and Little Cottonwood).

This indicates to me that there is a conflict of sorts in this area, and KS. did in fact tell me of a very vivid "dream" wherein she encountered a blond man in a b-ack "astronaut" uniform who asked her if she recognized him.
