April

This talks about a large cavern.

.....
.....

She looked intently into his eyes and then recognized him from "somewhere", and he commenced to show her a "Star Wars" type battle that was in progress far above the Salt Lake valley (cloud cover?). She saw disks firing beam weapons at other incoming craft, the beams would hit what appeared to be their shields and arc and crackle around them like one might see in a STAR TREK movie, and the affected ship would not drop, but seem to lose maneuvering control and drift away. When she awakened from the "dream" she said there were strange bruises on her legs that were not there when she went to sleep.

-- Much alien activity has been reported as being located below Twin Peaks, SE of Salt Lake City. On the north slope of the Peaks is Big Cottonwood Canyon. Reports suggest a huge base under the canyon was once controlled by "Blondes" tied-in with the Mt. Shasta system, but that this may have since been infiltrated by Grays and human (mind-controlled) collaborators. Officially the Telosians are supposed to be at odds with the Grays. The crown princess of Telos, Sharula, (JW Sharula is not from inside Mt. Shasta. She is a regular Earth person whose name is Boney. She even has a social security card.) was reportedly told by Adama - the spiritual leader of the Melchizedek lodge there that the Grays are being asked to leave the planet, BY FORCE if necessary. The last Gray stronghold that is to be taken care of is the one near Los Alamos, N.M., which is the eastern segment of the Dulce Hub or Terminal which branches out for hundreds of miles in all directions (like the Panamint base, the Archuleta base is said to be approximately the size of Manhattan this is not including the "extension" bases tied-in to Dulce). If there are still "Telosians" below the Twin Peaks area who are working WITH the Grays, they are doing so in direct opposition to official Telosian policy. On the south side of Twin Peaks is Little Cottonwood Canyon, the site of GRANITE MOUNTAIN where the M-rmon C-urch maintains an large underground Storage Vault where information on every subject is gathered from all over the world and stored after being converted to microfilm. One can draw a rough line beginning at Crossroads Plaza and leading southwest through Trolley Square and Sugarhouse Mall and on to Little Cottonwood Canyon, at the base of which (Draper, UT) this writer lived as a child. Now, before relating the following account, let me say something about the Mo-mon Ch-rch system, within which this writer was raised... This chu-ch was created by a man named Joseph Smith, however the REAL power behind its growth was John C. Bennett, who was apparently one of many Scottish Rite agents assigned to infiltrate the various religious movements of the world. If one does a thorough study of the Ma-onic connections to major denominations they may discover some surprises (for instance Norman Vincent Peale was a 33rd degree ma-on, as were the founders of the J-hovah's Witnesses, Theosophy, Sc-entology, Unitarianism, and so on). The Scottish Rite, incidentally, was created by Jes--ts and Ma-ons at the Parisian college of Clermont. Dr. John Coleman states that 13 Maltese Jes--ts, 13 Wicca Ma-ons and 13 Bl-ck Nobility members make up the 39 members of the B-ldeberger group, ultimately controlled by the BAVARIAN I-luminati through the Scottish Rite. The Master Mas-n John C. Bennett convinced Smith to sell out to the Ma-onic lodge (Scottish Rite) and Bennett worked to establish an "Order of the Illu-inati" within Mo-monism, according to Klaus H-nsen's book "QUEST FOR EMPIRE". Morm-nism became a hybrid religion between Ch-istianity (wor-hip of the "Lamb") and gnostic Scottish Rite Maso-ry (wo-ship of the "Serpent"). Even today the Mor-on masses in Utah believe that they are "Chr-stians", and even the majority of the "Council of 12" - unknown to the most of its membership - are actually controlled by the Scottish Rite "Council of 50" behind the scenes. These "Insiders" allow only the oldest members of the outer "Council of 12" to become Pr-sident of the Chu-ch. Apparently the older these council members are the less likely they will be to discern what is going on behind the

scenes, to make waves or make changes, or challenge the hidden Scottish Rite infiltrators and controllers. One can see a similar power-play being carried out in the Vatican. For instance Pope John Paul I sought to make some heavy-duty changes in the Catholic system, but the "powers that would be" had different ideas.

After this Pope was assassinated in true Scottish Rite fashion only 33 days into his term, a former Nazi sympathizer who had earlier in life sold cyanide gas to the Nazis for their gas chambers, was elected Pontiff... this new Emperor of the "Holy Roman Empire" was the man who changed his name to "John Paul II".

The Scottish Rite has the power to control the media and therefore the influence to support or tear-down a religion through public opinion. In their desire to be a "friend of the world" and escape criticism, many main-line religions must sell-out to the Masons or risk "persecution". Most Mormons outwardly profess their hatred of "secret combinations", not realizing that they - along with most other mainline denominations throughout the world - have fallen victim to that very force. They do not realize that they are one of the many "controlled" religions that the Illuminati plans to keep in check so that they do not interfere with the "New World Order". In recent years various fundamental Mormon factions began warning about the "New World Order", that is until those in the seat of power in the Mormon Church were given instructions to rebuke these Patriots as being out of line with Church policy.

If they kept up with their anti New World Order activities, they could be excommunicated and their salvation would be on the line. Is there something wrong with this picture?

Ideologies cannot be controlled - this is why the Penecostals who stress ideological lifestyle over organizational structure are frustrating the One Workers, because they are difficult to infiltrate and control. The more STRUCTURED a religious SYSTEM is, the easier it is to infiltrate and control... these controllers do not believe in Christianity nor even Mormonism or any of the other religions, but are actually Serpent Worshipers and collaborate with and worship the Serpent Race (Greys, etc.). They are also in it for personal profit, at the expense of the manipulated masses. If you don't believe that the Scottish Rite is a gnostic (serpent) cult, just take a look at the designs inside the HOUSE OF THE TEMPLE, the Scottish Rite Headquarters in Washington D.C. that sits atop the PENTAGON-LIKE street layout of the capitol city. It should be stressed that the Mormon Church IS ONLY ONE OF MANY religious organizations around the world that the Scottish Rite (Wicca Mason) branch of the Illuminati has either created or infiltrated, or turned into a hybrid Christian-Masonic structure. I only single this denomination out because of my own personal involvement with this religious system. Many (so-called) Protestant denominations such as the Methodists, Episcopalians, and Southern Baptists have fallen under the control of the Scottish Rite as well, in that a large percentage of their congregations have dual membership in the Masonic Lodge and their denominational Church organizations.

With this introduction, I will now quote the following revelation from a Utah researcher who wishes to be identified only as J.R.:

...You most likely have heard of the Mormon Church, LDS, Church of Jesus Christ of Latter Day Saints, here in Utah, of which they control the total state in all fields and phases of human endeavors. They have built temples in 100 countries. The missionaries in all these countries, including the U-A, work with the C-A.

"As the missionaries can get into countries where the CIA cannot, they collect information on the people and everything of any and all nature, the countries' government and all their activities. All this world-wide information

is shared with the CIA and it is fed into three of the largest computers in the world, church-owned, here in Salt Lake City (these reportedly fill the entire top 2 or 3 floor-levels of the "Church Office Building" in Salt Lake City - Brantton). This church is one of the most powerful and rich organizations in the world today. It has one of the largest and secret police force[s] in the world. I have collected this kind of information for 45 years.

"The above is not all they are into. A high official of this church was recently kicked out of the church as he got too snooty and asked too many questions. He came to me a few months ago and told me what happened.

He said that HIS LIFE HAD BEEN THREATENED if he told anyone of what he had found out. So he told me that if anything happened to him, to release the information he gave me. THIS INFORMATION CONCERNS A GIANT CAVERN BENEATH SALT LAKE CITY AND THE WASATCH MOUNTAIN RANGE. IT GOES NORTH TO IDAHO AND SOUTH CLEAR DOWN PAST THE ARIZONA LINE, WITH OFFSHOOTS WEST INTO NEVADA AND EAST INTO COLORADO.

"This cavern has been common knowledge for over 120 years. Many cases over the years [have] appeared in the newspapers of people and groups of people going into the cavern, but never coming out. Several [who] did find their way out, were hopelessly insane. At least that's what the newspaper said about them.
