This talks About Guy Ballard.

Only a few of this community are known to the human race; these initiates are the "teaching Masters."

AMORC

<http://en.wikipedia.org/wiki/AMORC>

AMORC Rosicrucian order maintains a difference between the "Great White Brotherhood" and the "Great White Lodge", saying that the Great White Brotherhood is the "school or fraternity" of the Great White Lodge, and that "every true student on the Path" aspires to membership in this Brotherhood.

Some of Aleister Crowley's remarks appear to indicate that Crowley identified the Great White Brotherhood with the

Peter Deunov referred to his organization of followers as the "Universal White Brotherhood," and it is clear that he too was referring to the "Western mystery tradition"

Western esoteric community-at-large. When ex-communicated as a heretic on 7 July 1922, he defended the Brotherhood as follows:

Let the "Bulgarian Orthodox Church"

Orthodox Church resolve this issue, whether Christ has risen, whether Love is accepted in the Orthodox Church. There is one church in the world. But the Universal White Brotherhood is outside the church - it is higher than the church. But even higher than the Universal White Brotherhood is the Kingdom of Heaven. Hence the Church is the first step, the Universal White Brotherhood is the second step, and the "Kingdom of God"

Kingdom of Heaven is the third step - the greatest one that is to be manifested.

On July 4, 1954 it is believed that

[http://en.wikipedia.org/wiki/Sanat\\_Kumara](http://en.wikipedia.org/wiki/Sanat_Kumara)

Sanat Kumara stated through Geraldine Innocente:

". . . Thus We took Our abode upon the sweet Earth. Through the same power of centripetal and centrifugal force of which I spoke (cohesion and expansion of the magnetic power of Divine Love), We then began to magnetize the Flame in the hearts of some of the Guardian Spirits who were not sleeping so soundly and who were not too enthusiastically engaged in using primal life for the satisfaction of the personal self.

"In this way, the Great White Brotherhood began. The Three-fold Flame within the heart of Shamballa, within the Hearts of the Kumaras and Myself, formed the magnetic Heart of the Great White Brotherhood by Whom you have all been blessed and of which Brotherhood you all aspire to become conscious members. . . ."

The Great White Brotherhood, also known as Great Brotherhood of Light, is perceived as a spiritual organization composed of those "Ascended master"

Ascended Masters who have risen from the Earth into immortality, but still maintain an active watch over the world.

C.W. Leadbeater said "The Great White Brotherhood also includes members of the Heavenly Host (the

Masters of the Ancient Wisdom are believed by Theosophists to be joined together in service to the Earth under the name of the Great White Brotherhood. The use of the term "wh-te" is supposed to refer to their advanced spir-tuality (i.e., that they have a whi-e colored "Aura (paranormal)"
