This shows what good came out of the Lucifer Rebellion.

No person is ever made to suffer vital s-iritual deprivation because of the s-n of another. Si- is wholly personal as to moral guilt or sp-ritual consequences, notwithstanding its far-flung repercussions in administrative, intellectual, and social domains.

While we cannot fathom the wisdom that permits such catastrophes, we can always discern the beneficial outworking of these local disturbances as they are reflected out upon the universe at large.

8. The Human Hero of the Rebellion  
67:8.1

The Lucifer rebellion was withstood by many courageous beings on the various worlds of Satania; but the records of Salvington portray Amadon as the outstanding character of the entire system in his glorious rejection of the flood tides of sedition and in his unswerving devotion to Van they stood together unmoved in their loyalty to the supremacy of the invisible Father and his Son Michael.

At the time of these momentous transactions I was stationed on Edentia, and I am still conscious of the exhilaration I experienced as I perused the Salvington broadcasts which told from day to day of the unbelievable steadfastness, the transcendent devotion, and the exquisite loyalty of this onetime semisavage springing from the experimental and original stock of the Andonic r-ce.

From Edentia up through Salvington and even on to Uversa, for seven long years the first inquiry of all subordinate celestial life regarding the Satania

rebellion, ever and always, was: What of Amadon of Urantia, does he still stand unmoved?

If the Lucifer rebellion has handicapped the local system and its fallen worlds, if the loss of this Son and his misled associates has temporarily hampered the progress of the constellation of Norlatiadek, then weigh the effect of the far-flung presentation of the inspiring performance of this one child of nature and his determined band of 143 comrades in standing steadfast for the higher concepts of universe management and administration in the face of such tremendous and adverse pressure exerted by his disloyal superiors. And let me assure you, this has already done more good in the universe of Nebadon and the superuniverse of Orvonton than can ever be outweighed by the sum total of all the e-il and sorrow of the Lucifer rebellion.

And all this is a beautifully touching and superbly magnificent illumination of the wisdom of the Father's universal plan for mobilizing the Corps of Mortal Finality on Paradise and for recruiting this vast group of mysterious servants of the future largely from the common clay of the mortals of ascending progression just such mortals as the impregnable Amadon.
