Subject: Birth Certificate.

May 5, 2011.

This person has a very rough way of explaining the birth certificate.

.....
.....

How the C-bal Faked/forged O-ama's Birth Certificate & the K-lling of a long dead C.-.A.. created mythical terrorist legend (Osama Bin Laden), as well as the Real Reasons that Donald T-ump is running as the new R-publican P-residential Candidate

It is obvious to me that the ca-al is getting really desperate, as documented in this forward You-tube video, of releasing a forged and actually easy to decipher--faked birth certificate that is supposed to be Ob-ma's authentic birth certificate. The only so-called question is: was this done by the cab-l with their attitude that the power e-ite do not even care what we think or know to be true and they are saying, as they snub their noses at us, that they can do what ever they want and that they feel they can still get away with it and make an obvious forgery no matter what we think.

Or was the person who was ordered to do this, actually made sure that this could easily be deciphered for someone here on the civilian level (outside all of those b-ack op, covert agencies) to blow the whistle on this attempt to fake it in a much more sophisticated way that would have been near impossible to [normally] with civilian computer technologies to have done so?

And then, of course, Osama Bin Laden who, according to many in the intelligence community, his real name was Jim Osmin, a young deep undercover cov-rt agent working for the C-A, who became Osama Bin Laden many decades ago, in charge of the CI- created muslim terrorist group al Qaeda. From many reliable sources, which included whistle blowers, (as well as was confirmed by the Federation of Light, after 9/11 was staged by the c-bal and the Bu-h administration), it was also known that Jim Osmin, aka Osama Bin Laden who had had some health issues for a number of years, finally died while hooked up to a kidney Dialysis machine. al Queda, just like the solomonian pirates were both originally created by the -IA to keep the lucrative wa- machine going for the power e-ite.

And whenever I saw one of those faked video broadcasts that were created by the C-A, rather than by Bin Laden I always thought, my G-d, hook me up to a Dialysis machine in some cave somewhere it would do wonders for my health and well being I mean, he looks better and more rejuvenated than he did years before!

So I always assumed that what with this faked modern, covert, bl-ck op mythical legends known as Osama Bin Laden and al Queda that they would keep them alive as long as they (the cab-l) needed them to help keep their lucrative -ar machine going.

But now that the puppet masters of the ca-al, had manufactured this faked birth certificate of their more recent Pr-sidential puppet Ob-ma, and it had quickly been discovered to be a forgery, they had this other back-up, contingency plan to quickly turn the masses attention away from this boo boo [or was it ***really*** a screw up?] and that was to quickly announce through their corporate controlled mainstream m-dia about how they had just discovered and kil-ed Bin Laden.

And then there was the (supposed) [back-up story to verify this supposed real authentic raid & attack had actually occurred] of an off duty local northern Pakistanian citizen who just happen to be texting on his cell phone & using his laptop computers right near where this (supposed) special forces raid on Bin Laden's sec-et Headquarters took place and (supposedly) did not know until afterwards that he had accidently recorded in the background the sounds of the special forces helicopters as they flew right over the building he happened to be in & the sounds of the firefight between the special forces & Bin Laden's supporters. Yea, right. Such

accidental luck!

And, finally, as one of the many e-mails & postings on various blogs that I saw right afterwards, of many others who also doubted this story as well, one person's response was:

Ah, yes the alleged dea-h of the alleged leader of al Quada allegedly proven by DNA. So we finally (Allegedly) got the guy who allegedly masterminded the alleged Islamic terrorist attack on 9/11. Taken out * [ALLEGEDLY]* by special forces in northern Pakistan, and [*ALLEGEDLY]*buried at sea. I'll buy that. What a relief! Guess we will be spared any further videos of some bearded guy who looks vaguely like Bin Laden shaking his fist at the great S-tan. He was really a superb boogeyman for quite a few years, though I'm sure I won't be the only one who will kinda miss the guy.

I have also forwarded another e-mail, right after this one, of an excellent article titled: *YEARS OF DECEIT: U.S. OPENLY ACCEPTS BIN LADEN LONG DEAD*

And while I am on this Roll about the strategies of the c-bal and power eli-e, I could not end this without reporting on the recent shananegans of The Donald otherwise known as Donald T-ump, who I recently heard is now planning to run as the puppet for the power el-te on the upcoming Republican Preside-tial Ticket against the other puppet Ob-ma. And what are the real reasons that he would now be doing this?

First of all, if we go back to the events of 9/11, of right after this false flag tragedy occurred, which I wondered at the time, and for some time afterwards, it was very strange how Mr. Tr-mp, who is considered by many as being such a local icon and involved with so many events that have occurred in New York City, both financial investments, real estate purchases, huge construction projects & renovations, social events, etc., would not once ever make any kind of comment, about what his opinion was regarding this event and it's aftermath, etc. Not once, that I was aware of, either right after or for many years afterwards did he officially comment and discuss this. Which, as stated, was very odd, considering he has had such a stake and investment with what supposedly occurs there in New York City. And even though at the time I wondered about this, but had eventually forgot about it until several years after 9/11 when Rosey O-onell, who was then on The View T.V, show, had begun to discuss on the show about her theory that 9/11 could, in fact, be a Conspiracy and began to openly discuss on the show about these theories and how she thought that there was definitely a possibility of it all being an inside job false flag by the B-sh Administration.

As many may remember, how Mr. Tru-p. a number of years ago when he was about to go down in financial ruin called upon the power eli-e to help him get himself out of the financial hole that he had suddenly found himself in, and they agreed to help him with one requirement, that if they ever needed him to do a favor for them, that he would agree. And, of course, he did agree, or as they say, sold his s-ul to the d-vil at that time if he had not already done so.

So then when the ca-al or power e-ite, who plotted, planned and executed the total events of 9/11, heard about how Rosey was starting to stir things up with her publically sharing her views on 9/11 and of the possibility of her actually causing (which she did) a lot of people to start doing their own research into the events of 9/11, verses what the official version as was pushed upon us all by corporate-ca-al-controlled mainstream medi-, got very concerned of what was being allowed to be discussed on The View and told The Donald that as he owed them big time that they wanted him to shut her up.

So all of a sudden, a short time after she stated to go more and more into the Conspiracy of 9/11 she stated to suddenly get harassing phone calls from Mr. Trump, of him just calling her a lot of nasty names, without of course, referring to what, just exactly, was the reason that he was suddenly doing this. This was his way of dealing with it and he also got her fired from The View.

It wasn't until this moment, of hearing about these strange phone calls, that it suddenly dawned upon me about what was going on behind the scenes and of why he had done this.

So then when I heard about him now announcing that he was suddenly going to run as the R-publican Pres-dential candidate, that I suddenly realized that this was the way to (as the power el-te always have) of controlling both major po-itical parties.

But as I was tuning into Tr-mp, and what had more recently been going on behind the scenes, I saw how he was invited to visit one of those many huge *D*eeep *U*nderground *M*military *B*ases (which also stands for D.U.M.B.!!!!) and how he has been promised by the power elite that he, of course, has been given his own - million dollar ticket to go down there in the next year or two when Niburu or Wormwood is expected to pass by Earth, that as the power elite think that they are going to be the only ones surviving the upcoming Earth changes by going underground in these huge bases. But, as I have been told by our Friends Upstairs, these very corrupt members of the -abal and all their followers who think that by just going deep underground in these huge underground structures that they can survive the coming total Earth cleansing, while the rest of us who on the outer surface will all perish, they do not get it, that it is not how so-called secure one builds their underground bases that will allow one to survive it is primarily one's own Consciousness of Love and Light and Heart Connection with Mother Earth and all the sacred Laws of Div-ne Creation which is to be our Saving Grace and which also guarantees that we will definitely be beamed on board the millions of Merkabah Federation Light Ships when they soon make their mass appearance all over this planet during planetary Div-ne Intervention as I have accurately described in my book *Prepare For The Landings!*
