Here are some types of extraterrestrials.

AGHARIANS
(or Aghartians)

A group of Asiatic or Nordic humans who, sources claim, discovered a vast system of caverns below the region of the Gobi desert and surrounding areas thousands of years ago, and have since established a thriving kingdom within, one which has been interacting with other-planetary systems up until current times.

ALPHA-DRACONIANS

http://www.bibliotecapleyades.net/sumer_anunnaki/reptiles/reptiles.htm
Reptilian beings who are said to have established colonies in Alpha Draconis.

Like all reptilians, these claim to have originated on Terra thousands of years ago, a fact that they use to 'justify' their attempt to re-take the earth for their own. They are apparently a major part of a planned 'invasion' which is eventually turning from covert infiltration mode to overt invasion mode as the "window of opportunity" (the time span before International human society becomes an interplanetary and interstellar power) slowly begins to close.

They are attempting to keep the "window" open by suppressing advanced technology from the masses, which would lead to eventual Terran colonization of other planets by Earth and an eventual solution to the population, pollution, food and other environmental problems. Being that Terrans have an inbred "warrior" instinct the Draconians DO NOT want them/us to attain interstellar capabilities and therefore become a threat to their imperialistic agendas. Refer to

ALTAIRIANS

Alleged Reptilian inhabitants of the Altair stellar system in the constellation Aquila, in collaboration with a smaller Nordic human element and a collaborative Grey and Terran military presence. Headquarters of a collective known as the "Corporate", which maintains ties with the Ashtar and Draconian collectives (Draconian).

AMPHIBIANS

Similar to the Saurians or Reptiloids, yet being hominoid creatures with reptilian AS WELL AS amphibian-like features and are semi-aquatic in nature. May have once lived on land, yet became more aquatic over the centuries. 'They' have been encountered near swampy regions, rivers, etc., and have been known to a-tack people without being provoked. It is interesting that some types of Greys AND Reptiloids are believed to be semi-aquatic, having webbed fingers and toes (Draconian).

AMOEBA-LIKE CREATURES over polar regions of the earth. No name that I can find. These have shown up periodically over the last ten years. N-SA is working on this. Every time they've been detected, all kinds of strange illnesses break out. They don't how they can stay alive and be in outer space.

ANABUA - SCULPTURE BY CYNTHIA CRAWFORD -

<http://etsculptor.com/Anabua.html>
When I first made the Anabua Being it was after have a very unusual

woman appear in front of me who looked like an Eagle covered with human flesh. When she walked out of the room, I followed after - only to see that she had vanished. A month later a man in Native American clothing with this same facial features walked down an isle at a conference near my display of sculptures. Same thing happened, he, too, vanished when he left the room. My guides gave me this information: We are the Anabua, the feather tribe of beings you call the Eagle. We came from the Orion Star system and have been on Gaia, Mother Earth, longer than mankind has existed. We are the balance of nature, eating only that which sustains us. But human's greed has cut down and burned the forest, replacing it with cold, lifeless structures while defacing its natural beauty. Man's greed that has lead to w-rs and he will eventually annihilate not only himself but all life on Earth, leaving behind a barren planet. We shape-shift now to walk amongst you, to look you in the eye and be your reflection; to awaken you before it's too late. We plead, put back the Earth the way you found it; live amongst us in peace the way you once did; stop your foolish ways before there is nothing left to save. We cry for the planet Earth and not for the human race.

ANAKIM, THE

(also referred to the 'Els', short for Elder Race' or simply as the (Giants')

Referred to in ancient Hebrew tradition, this race is allegedly tied-in with a branch of ancient humans who broke-off from mainstream humanity because of their vast size which had developed over the centuries, possibly as a result of a genetic anomaly. They are said to range anywhere from 9-11 ft. and in some cases even 12 ft. in height, although in configuration they are remarkably similar to 'International' humans. Are said to possess a means of molecular condensing and expansion which allows some of their kind to mingle among humans on the surface. They have allegedly been encountered in deep and extensive cavern systems below the western part of North America, as far north as Alaska, as far south as Mexico, and as far east as Texas. They are believed to have interstellar traveling capabilities.

ANUNNAKI

Nimrod was a worshiper of Anu. Nimrod unlike Abraham did not believe in an unseen deity. Nimrod wanted Abraham to worship Anu, The Most High known as ELYOWN ELYOWN EL. Nimrod was the founder of the city of Babylon, and his most renowned architectural influence was the construction of the Tower of Babel. Nimrod also had a city named in honor of Anu. It was to be called Calneh or Kalneh (Genesis 10:10), meaning fortress of Anu. It used to be an ancient city in Babylon, Mesopotamia. Calneh is often associated with Nippur, which is one of the seven cities that

was inhabited by the agreeable.

Anunnaqi.

Nippur was also known as Kodesh. It was originally called Nibruqi meaning

Earth place of Nibiru. It was the city of Enlil, the Anunnaqi Eloheem, son of

Anu and Antum. Not only was Calneh one of Nimrod's cities, there was Babel or Babylon, the ancient site and capital of Babylon near the Euphrates.

Erek a city 40 miles northwest of Ur, toward Babylon on the left bank of the Euphrates; and Accad or Akkad a city in North Babylon and a part of the district around it are all a part of the land of Shinar called by many The Country of Two Rivers, literally meaning plains of the flatlands. In the land

of Shinar, today called Iraq, is the place where the Ancient Sumerians came to set up an advanced civilization where you'd find pictograph cuneiform writings.
