Subject: Extraterrestrials. Part 3.  
May 17, 2011.

.....  
.....

Sometimes truth is stranger than fiction.

#### BIG NOSED GRAY: IDENTITY OF THE ALIEN:

The name of the creature involved in "The Gate 3 Incident" was an Archquloid.

A-R-C-H-Q-U-L-O-I-D; The alien is described as one of the "Big Nosed Grays." It was a 5' 6" tall, gray or tan being with large, black, slanted eyes and a mushroom-like head, with four (4) long fingers. They have yellow eyes with vertical pupils and very large, beaked noses. They are genetically engineered

by the Ebens [cloned?] and were given to the U.S. G-vernment for observation/examination/study by the Ebens. See Release 23 at

<http://www.serpo.org/>

#### BERNARIANS

Inhabitants of the

[http://www.bibliotecapleyades.net/nuevo\\_universo/barnard.htm](http://www.bibliotecapleyades.net/nuevo_universo/barnard.htm)

Bernard's Star' system.

Although not much has been written about them, it seems that human beings at least in part control this star system, along with "The Orange". Whether the Saurians have any influence or not is uncertain, however some sources indicate a possible collaboration similar to that within our own SOL system.

#### BOOTEANS

Reptilians from the 'Bootes' system. These, AND reptilian entities from the `Draconis' system are allegedly involved with

[http://www.bibliotecapleyades.net/esp\\_dulcebook.htm](http://www.bibliotecapleyades.net/esp_dulcebook.htm)

the 'Dulce' scenario as well as the infiltration- implantation-control of human society on earth in anticipation of their planned t-keover at some point in the future (Draconian).

#### BLUE PEOPLE

The Cherokee tell of a story of a r-ce of people that were blue skinned that they came upon when they entered the lands of Kentucky.

They bragged over wiping them out, but we have recently found out that this may not be the case and they still may exist in the tunnel and cave systems of Kentucky and surrounding areas.

To find out more on this ancient race go

[http://www.bibliotecapleyades.net/vida\\_alien/alien\\_watchers05.htm](http://www.bibliotecapleyades.net/vida_alien/alien_watchers05.htm)

#### BURROWERS

Another mutation of the saurian or serpent ra-e that is capable of burrowing through the earth. Possibly quadrupedal as well as be-pedal, these have been known to use their natural 'boring' abilities to create artificial tunnels like moles, or even spontaneously produced 'cave-ins' (the

latter has allegedly been used in attempts to entrap or k-ll unsuspecting intruders into the underground domains). These may possess a highly-developed 'bio-sensing' system.

#### BUTTAHS

Being that dwells in sp-ritual darkness. The person may be intellectually developed. The Buttah are normally associated with nightmares, abductions and the taking of small children. They usually come around at night. The Grey aliens who do abductions falls into this category. The Reptilians are also part of this group. They are usually not very physically attractive. Apparently long ago there was a visitation long ago by Buttahs called Wacshashas who were negative, powerful, aggressive beings.

## CETIANS - (or Tau Cetians)

A human race of 'Mediterranean' or 'South American' appearing, tan-skinned humans. Very similar to Caucasian humans on Terra except for SLIGHT differences (slightly pointed ears, higher physical 'density' for their size, slightly broader nose, 5' 5" tall on average, and often wear short 'Roman' or 'crew' style haircuts).

[http://www.bibliotecapleyades.net/nuevo\\_universo/tauceti.htm](http://www.bibliotecapleyades.net/nuevo_universo/tauceti.htm)

Tau Ceti and

[http://www.bibliotecapleyades.net/nuevo\\_universo/epseridani.htm](http://www.bibliotecapleyades.net/nuevo_universo/epseridani.htm)

Epsilon Eridani are said to be a major 'convergence' of extraterrestrial 'human' activity, and are said to be in alliance with the Pleiadeans (who in turn, according to contacts, have 'Federated' alliances with the Vegans, the Ummites, and others.). The Cetian alliance with the Pleiadeans and 'other' societies who have been 'victimized' by the 'Grey' predators is based on a desire to establish a common defense against their reptilian nemesis.

## CHAMELEON

Reptilians genetically bred to enable themselves to appear 'human'. Also less-humanoid appearing Reptiloids who use a form of technosis, molecular shape-shifting and/or laser holograms to produce an outward "human" appearance. Reports of these have surface from underground joint-operational facilities near

[http://www.bibliotecapleyades.net/esp\\_offlimits.htm](http://www.bibliotecapleyades.net/esp_offlimits.htm)

Dulce, New Mexico; Groom Lake, Nevada; Deep Springs, California; and Fort Lewis, Washington and elsewhere. They are reportedly involved in some type of infiltration agenda. These 'infiltrators' can appear

remarkably human outwardly, however at the same time retaining reptilian or neo-saurian internal organs. Often described as appearing 'bulge-eyed' with scaly, hairless skin behind their 'disguise'. One report alleged that the 'Chameleons' may utilize artificial 'lenses' to conceal "slit-pupiled iris". Some claim they are genetically bred 'mercenaries' who are part of an advanced guard of a planned silent in-vasion-takeover of human society.

An underground species. Some believe them to be human while others see them as non-humans. These are the beings from which comes our legends of leprachauns and trolls. Unlike the Teros, this 'little' beings are considered

'demented' and cannot be trusted. The Teros try to keep them under control and keep them from having excessive power. The Deros live in underground tunnels, cities and under the sea.

This group of insane cave dwellers were called Sumuwnean meaning the obese ones, or Saamiym, and Abandonderos or as they are called today Deros, which is a combination of the words detrimental and robots. These Sumuwneans or Deros really exist.

There Chief is Yabahaan. The Sumuwneans are constantly in conflict with the group of beings called the Duwaanis who hold the same belief, that they too will take over the planet one day. They are born by hatching from eggs that are four to six feet in diameter.

They grow to seven feet and are extremely obese. The Deros who live in the caves are degenerated so much that, they don't have much intelligence. They have two stomachs and their digestive system is the same as that of a cow.

Deros and cows both chew the cud, meaning when they eat, they chew their food and it goes through the initial stages of digestion where it reaches a large sac that is before the true stomach.

The food is then regurgitated to the mouth for further chewing; this is called chewing the cud. The Deros have no fingernails, toenails, nipples, navel or rectum. Their eyes are silver grey and they glow in the dark.

They have blonde eyebrows and a pinkish grey color skin, much like the corpse of a Caucasian, and a pig, having not being exposed to the inner or outer Sun. Other than their eyebrows, they have no hair on their bodies because of a disease called trichotillomania, and are responsible for the diseases trichinosis and trichiniasis.

They have no teeth. Their mouth appears to be full of a gummy, slimy substance. They are nocturnal and hear extremely well.

They're not very peaceful and have a strong dislike for human beings. They are very human in appearance, yet far from it. Their noses are long, trunk-like which is very similar to that of an elephant.

They contend that the Planet Earth was theirs originally and will be theirs again one day. Many people today who are obese are descendants of the Deros. I'm talking about those people who have a serious weight problem, weighing over 300 pounds, which is abnormal for human beings.

It is obviously a hereditary glandular problem and is caused by over active glands. Certain endocrine gland disorders, such as hypothyroidism or tumors of the adrenal gland, pancreas, or pituitary

gland, can cause obesity. It is a trait of who they are from, the Deros.

#### DINOSAUROIDS

(Human Dinosaurs...Saurians) From: The "NEVADA AERIAL RESEARCH JOURNAL" for Summer, 1989. Re-print a UPI news item which appeared in a Berkley, California newspaper:

"Dale Russell, curator of fossil vertebrates at the National Museums of Canada in Ottawa, has developed a theory that intelligent life forms could have developed from the large reptiles that roamed the earth (in ancient times).

Russell calls his imaginary creature a 'Dinosauroid' which would look like a hairless, green-skinned reptile with a bulging skull, luminous cat-like eyes and three-fingered hands...

"The amphibians evolved into a humanoid species that eventually developed a culture that ran its course or was destroyed in an Atlantis-like catastrophe--just after they had begun exploring extraterrestrial frontiers. Certain UFO-nauts, then, may be the descendants of the survivors of that amphibian culture RETURNING from their space colony to monitor the present dominant species on the HOME planet." (JW I don't agree with that theory.)
