I will now start pointing out some of these space people who I have read about or with which I have had experiences.

.....  
.....

MARTIANS

(JW A nice person from Mars is called Monka. He transmits information to Earth people that were in a group called The Solar Cross, started by Richard Miller, a teacher and friend of Governor Jerry Brown. Monka is the representative of this Earth to the Galactic Federation until we are finally admitted to the G.F. later on, when we get out act together.)

Inhabitants of the

planet Mars, both human and non-human, including the alleged inhabitants of the two Martian moons (which many believe to be artificially-hollowed asteroids, one of which -- Phobos -- is said to be under the control of the "original" Greys, or self-reproducing Greys which are the "hosts" for the Grey "clones" which operate from various space stations that are disguised as planetoids. (It is from these "carrier" ships that the abduction, implantation, programming, mutilation, infiltration and other projects are carried out against planet earth). It has also been suggested that thousands of years ago the surface of LUNA and Mars were much more habitable, that the surfaces of these bodies may have been decimated after passing through the asteroid belt or an asteroid storm (consisting of debris which may have been torn from a planet which apparently existed between Mars and Jupiter at one time -- possibly destroyed by a close encounter with another planetary body in the tradition of

Velikovsky's theories). It is believed that ancient ruins, possibly thousands of years old, have been seen on both planets and that these attest to such a cataclysm.

MIB'S

(JW The MIBs are said to walk the streets of Deep Springs, Calif. It is near the Bristle Cone Pines National Forest where I have made it to before but I never made it over to Deep Springs. Some of the Reptoids can shape shift so they look like humans but if you take a picture of them with a camera they show up the way they really are. I'd love to sit on a bench and take pictures of everyone coming by and I might catch one of these reptoids going by.)

.....

Also referred to as the Men In B-ack or Horlocks. These are apparently in many cases humans who are controlled by draconian influences, although other MIB have been encountered which do not seem human, but more reptilian OR synthetic. The MIB have been encountered often after UFO sightings, usually intimidating witnesses into keeping silent about what they've seen (many of the witnesses may be abductees with suppressed memories of the event). Their threats appear to be motivated by attempts to utilize terrorism, fear or intimidation as a psychological weapon against witnesses. This weapon may not only be used to keep the human MIB's under control, but by the human MIB's themselves. They are often, though not always, seen in connection with large, black automobiles, some of which have been seen disappearing into mountains -- as in the case of one basing area between Hopland and Lakeport, California -- canyons or tunnels or in some cases apparently appear out of or disappear (cloak?) into thin air. Most humanoid MIB have probably been implanted by the Draconians and are essentially their slaves. Bio-synthetic forms possessed by infernals also seem to play a part in the MIB scenario, as do subterranean and extraterrestrial societies. Sirius, at only 9+ light years away, has been identified as a major

exterran MIB center of activity, with a subterranean counterpart existing in ancient antediluvian Atlantean underground complexes which have been re-established beneath the Eastern U.S. seaboard. These could be considered Almost Humans. Made with animal tissue and depends on a computer to simulate memory. A memory the computer has withdrawn from another human being. The Almost Humans may also fall under the category of the zombie type aliens.

#### MOON-EYES, THE

A race of peaceable humans some 7-8 ft. tall, with pale-blue skin and large wrap-around eyes which are extremely sensitive to light. They MAY be the same as the large humans allegedly encountered on the moon by our astronauts according to John L-ar and others, who in turn were silenced and not allowed to tell what they saw. These people may, according to some accounts, be allied to the Nordics and/or Blondes. They claim to be descendants of Noah who traveled to the Western Hemisphere a few centuries following the deluge and discovered ancient antediluvian cavern systems and ancient technologies which had been abandoned by the antediluvians in deep subterranean recesses. They have been encountered mostly in deep cavern-systems beneath the general region of the Ozarks-Arkansas and surrounding regions. The only real evidence we have on their existence is an early report of the Cherokee Indians telling of a [http://www.bibliotecapleyades.net/vida\\_alien/alien\\_watchers05.htm](http://www.bibliotecapleyades.net/vida_alien/alien_watchers05.htm) blue-skinned race that they encountered.

#### MOTHMEN

Largely subterranean, pterodactyl-like hominoids with bat-like wings. Sometimes describes as [http://www.bibliotecapleyades.net/vida\\_alien/alien\\_watchers04.htm](http://www.bibliotecapleyades.net/vida_alien/alien_watchers04.htm) possessing horns and thus are considered very similar to the traditional depiction of the devil, according to certain individuals who have encountered them. Although often referred to as Mothmen, this title might be a little misleading. These creatures -- which have also been referred to as the Ciakars, Pteroids, Birdmen

(JW I once went on a paid tour with Robert Stanley into an land called Kala Mu which is near Malabu, Calif. and a lady on the tour said that she was communicating at that time with the bird people. They were invisible beings to me but they were still talking to her. During that particular time there was a science fiction show being aired on TV and one of the characters on the show was a birdman and he was called Hawk.)

and Winged Draco -- have been encountered near underground systems near Mountauk Point, Long Island; Point Pleasant, West Virginia; and Dulce, New Mexico. (identical to the [http://www.bibliotecapleyades.net/sumer\\_anunnaki/esp\\_sumer\\_annunaki12a.htm](http://www.bibliotecapleyades.net/sumer_anunnaki/esp_sumer_annunaki12a.htm) Sumero-Babylonian, a demon of the KI GAL or underworld)

#### NAGAS

Also referred to as the Reptoids, Reptiloids, Reptons, Homo-saurus, Lizard-men, or the Large Nosed Greys. They play a significant role in the legends of India and Tibet where they are considered by some to be demoniacal residents of a subterranean realm. They are described as being around 7-8 ft. tall and of various colors, grotesque, but most often moldy greenish with scaled crocodilian skin. Allegedly descended from a branch of bipedal sauroids which existed thousands of years ago on earth and via mutation and natural selection developed the brain-body coordination necessary to develop a technology.

Some species still reportedly retain a visible tail although much atrophied from their supposedly extinct saurian ancestors. Some abductees claim that the "lizard" people resemble a humanoid version of a Velociraptor.

After a reputed battle in ancient times between a "pre-Scandinavian" race from the Gobi region and a Reptiloid race based in Antarctica, the reptilians allegedly lost the battle for domination of the surface world and were driven into underground networks in which they eventually developed aerial and space technology.

[http://www.bibliotecapleyades.net/sumer\\_anunnaki/reptiles/reptiles15.htm](http://www.bibliotecapleyades.net/sumer_anunnaki/reptiles/reptiles15.htm)

The Nagas are said to have appeared at the birth of Gautama Siddharta, who later became "B-ddha".

The ancient "well" of Sheshna in Benares, India, is traditionally where the "YOGA APHORISMS OF PATANJALI, a classical guide to students of Yoga, was written." This "well" is said to be an entrance to one of the Naga's underworld lairs.

Sherman M-nton states that "Sheshna;s well", an alleged opening into the underground reptilian underworld of "Patalas" [consisting of seven worlds or cavern levels], may be seen today in Benares, India, and, "...It has forty steps leading down into a circular depression to a stone door covered with cobras. This is said to lead to PATALA, the reptile netherworld legend of the Nagas, the "serpents" which live in extensive underground palaces in the rocky Himalayas. It is believed that these creatures are able to fly in space and that they possess amazing m-gical powers and intelligence. They are not too fond of man if he is a curiosity seeker, explorer or mountaineer. According to the sacred(?) tradition of the Hindus, the deep caverns of the Nagas contain fabulous treasures, illuminated by flashing precious stones. The subterranean abodes are known to be in certain parts of both the Himalayas and Tibet, particularly around the Lake of the Great Nagas - Lake Manosarowar."

NORDICS

[http://www.bibliotecapleyades.net/esp\\_wingmakers.htm](http://www.bibliotecapleyades.net/esp_wingmakers.htm)

Wingmakers Blonde, Blue-Eyed, Angular Faces. Although Nordics are humanoid and externally almost identical to humans.
